27. Other criteria as may apply to your situation – see Development Manager for evaluation.

- City of Live Oak Staff Departments are available to conduct a pre-development meeting to discuss your proposed project. Contact the Development Manager to schedule one of these meetings. Your project may require: Annexation, Land Use or Zoning Changes, a Variance, a Special Exception or other required public hearings. Any improvements intended to be dedicated to the City, i.e. Roads, Sidewalks, Infrastructure, etc. also have required criteria.
- If your development is creating a new parcel of record, a subdivision plat may be required.

Sec. 3.12. Board Site and Development Plan Review and In-House Plan Review.

Any use, structure or site development, pertaining to a use, structure or development more intense than one single-family residence on a single lot, and/or one duplex on a single lot, is deemed to be commercial in nature. All such uses, structures or site developments, whether principle, by special exception or accessory in nature, when such is proposed to be established, re-established, redeveloped, expanded or altered, shall require commercial site and development Plan review and approval as provided for herein; and when applicable, shall be subject to compliance with all the criteria as listed in Article 4.

This does not preclude any use, structure or site development proposed, whether residential or commercial, from also being subject to other requirements and separate review, as found: herein, in the City Code of Ordinances, in the Florida Statutes, in the Federal Statutes, or as required by the Building Official, Public Works Director, Fire Chief or any other departments or agencies which have authorized standing.

In addition to City Department in-house plan review and approval, such uses, structures and site developments, as defined below, shall also go before the Planning and Zoning Board, in a public hearing setting, for comment, consideration, review and possible: approval as proposed, or approval with conditions stated as appropriate, or denial:

1. On an unimproved lot – New proposed commercial construction resulting in 20,000 or more square feet of total building or structure footprint, or, any site development proposed on a parcel two (2) or more acres in size.
2. For commercial redevelopment of a previously improved lot, proposed demolition and/or new additions or construction resulting in 20,000 or more square feet of new building or structure footprint, or, any site development which will alter two (2) or more acres of land.

The Planning and Zoning Board shall consider such Plans as a condition precedent to the issuance of building permits by the Building Official.

3.12.1. Contents. All submitted Plans shall contain standard building Plan information as required by these LDR, the Development Manager, the Building Official, the Fire Chief, and other applicable City departments.

See also 3.12.2 through 3.12.5 of the City Land Development Regulations for additional criteria. Other Codes of Ordinances may also apply not found in the Land Development Regulations.
